REGISTRATION
To register, please fill in the registration form included in this brochure, scan and e-mail it to: anatomiapatologica.curso2012@chporto.min-saude.pt
The course is arranged in 6 surgical pathology teaching blocks anticipated by their respective clinical satellite conferences. If you are interested in one area, you will be able to attend by selecting the respective lecture blocks. As you can see from the table below, regarding the registration fees, they are separated in theoretical and practical sessions. Due to logistic issues, the practical sessions (table head microanatomical practicals) are more limited than the theoretical sessions (auditorium main room), so, depending on the number of participants, the organizational committee will decide on the participants on first-come, first-served basis to the arrival of the registration form, via e-mail. The registration secretariat will reply, as soon as the registration confirmation including your practical sessions, according to availability, and payment data. If some of the practical sessions will no longer be available to you, you can attend the theoretical sessions. You should remember that the practical sessions will run at the same time as the next clinical satellite conference so you should take that in consideration when choosing them.

CANCELLATION AND REIMBURSEMENT POLICY
Cancellation will be possible only if a written request postmarked before September 15th, 2012, is submitted to the organizing secretariat, by registered mail. Refund will be arranged after the meeting date with a deduction of €30.
No refund will be possible after September 15th, 2012.

UPDATING COURSE ON ANATOMIC PATHOLOGY
CURSO DE ACTUALIZAÇÃO EM ANATOMIA PATOLÓGICA
CENTRO HOSPITALAR DO PORTO 2012

Organized by
Centro Hospitalar do Porto
Serviço de Anatomia Patológica

October 13-16, 2012 – Porto, Portugal

Course Description:
We are pleased to announce the 1st edition of our course entitled “Curso de Actualização em Anatomia Patológica Centro Hospitalar do Porto 2012”. The course is organized by Centro Hospitalar do Porto, Porto [Portugal] and shall provide the highest level of subspecialty instruction by a distinguished faculty recognized in the fields of Anatomic Pathology. The educational event shall include 3 days of anatomic pathology theoretical and practical sessions related to breast, salivary gland, lymphomas, bone and soft tissues, cutaneous melanocytic lesions and pleuropulmonary and mediastinal areas, highlighting diagnostic challenges, illustrating potential pitfalls and how to avoid them, and highlighting the role of complementary molecular techniques and their application in patient care. The surgical pathology blocks will be anticipated by corresponding clinical satellite conferences, giving emphasis on National contributions.

The greatest educational feedback is expected for community hospital physicians, in particular, pathologists and residents. The course goal is to provide participants with practical and meaningful information relevant to diagnostic task, prognostic assessment and therapy guidance of cancer patients. The course is intended for a broad audience; however, it is primarily designed for pathologists devoting most of their efforts to practical surgical pathology. Course organizers encourage the participation of anatomic pathology, general and thoracic surgery, dermatology, ENT and oncology residents.

Location of the Course:
The course will be held in Porto, the second largest city of Portugal, in the west coast. It can be reached by airplane through Porto International Airport where various flights are available – for more information http://www.ana.pt/en-US/Aeroportos/porto/Porto/Pages/Homepage-Porto.aspx

Course Venue:
Centro Hospitalar do Porto, Largo Professor Abel Salazar, 4099-001 Porto.

Official language: The surgical pathology course will be taught in English. Simultaneous translation services will not be available. The clinical satellite conferences will be lectured in English or Portuguese.
